**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a retired consumer internet user. My current low price and data access is being threatened by this proposal. Please reconsider this change and leave the wire in the ground open to competition as is currently the case. I am strongly opposed to the current stance of the FCC in supporting big business rather than the small consumer as was evidenced by your recent net neutrality ruling.
